## ABOUT ME

---

Aspiring Computer Science Engineer with strong skills in AI, Machine Learning, Web Development, and Prompt Engineering. Passionate about solving real-world problems using data-driven approaches and building innovative projects. Skilled in Python, C, full-stack development, and algorithms, with hands-on experience in AI/ML and software development internships.

## TECHNICAL SKILLS

---

**Languages:** C, C++, Python.

**Web Technologies:** HTML, CSS, JAVASCRIPT

**Dev Tools:** VS Code, Pycharm.

**Databases:** MySQL (basics)

**Platform:** Windows, Linux.

## INTERNSHIP

---

### June 2025 – July 2025

Intern – NIELIT (Online Internship in AI and Machine Learning using Python)

### May 2025

Intern – AI Academia (Artificial Intelligence Workshop)

## EDUCATION

---

### 2023 - 2026

RAJA BALWANT SINGH ENGINEERING  
TECHNICAL CAMPUS BICHPURI AGRA

**Bachelor of Technology**

### 2021 -2023

SRI HARCHARAN LAL VERMA  
MAHAVIDHYALAYA, ACHHNERA, AGRA

**Bachelor of Science**

### 2016 -2018

N C EDUCATIONAL ACADEMY  
PURAMANA KIRAOLI AGRA UP

**Intermediate Education**

## PROJECTS & TECHNICAL WORK

---

**ChatBot\_FusionHub** – A web-based AI chatbot integration platform built with Django (backend) and Three.js + GSAP (frontend).

**UniversalAnalystModel** - A Data analytics and machine learning platform that provides automated data analysis, visualization, and predictive modeling capabilities through both web and programmatic interfaces.

## CERTIFICATIONS

---

ChatGPT Prompt Engineering – **DeepLearning.AI**

PythonZeroToHero Course - **Guvi**

Artificial Intelligence Workshop – **AI Academia**

Online Internship in AI & Machine Learning using Python – **NIELIT**
